

Welcome to rental living for independent seniors.

Located on the Mersey River and the Bass Strait coast, Devonport enjoys river, ocean and mountain views and is close to some of Tasmania's best natural places, including stunning Cradle Mountain.

Designed to suit independent seniors, we provide quality rental living, featuring one-bedroom units and daily home-style meals to make life that little bit easier.

There's a friendly community environment and opportunity for regular social interaction, with activities to join and neighbours nearby.

With no hidden costs – no expensive up-front buy-in nor exit fees, just a rental agreement instead of complicated financial documents.

Whether downsizing or looking for a more manageable home for one, or two, renting allows you to have the best of both worlds – maintain independence while enjoying the benefits of living in a secure, low maintenance community environment.
